DOOM!

WON'T THAT COOL HER DOWN?

WHAT IF WE THROW SOME WATER ON HER?

WHAT

OOF...

THWAK!!

ARE YOU CRAZY !!?

WITHOUT NAMI TO NAVIGATE, WE CAN'T SAIL AT NIGHT.

I KNOW. WE HAVE TO DROP ANCHOR SOME-WHERE.

THIS SEA...

YEAH. IT'S NOT EVEN DEPENDABLY UNPREDICT-ABLE HERE.

TAK TAK

TAK-TAK TAK-TAK

NEVER MIND THEM...

THE WEATHER'S BEEN UNUSUALLY STABLE LATELY. STABLE BUT COLD.

A WINTER ISLAND?

WE MUST BE APPROACHING A WINTER ISLAND.

WHAK!!

OUCH!

VIVI...

SANJI, KEEP A SHARP LOOKOUT.

IT'S A SIGN THAT THERE'S LAND NEARBY.

AND EACH OF THESE ISLANDS GENERALLY HAS FOUR SEASONS.

SUMMER ISLANDS, SPRING ISLANDS, AUTUMN ISLANDS AND WINTER ISLANDS.

CLIMATICALLY, THE ISLANDS OF THE GRAND LINE CAN BE DIVIDED UP INTO FOUR TYPES--

SUMMER SPRING AUTUMN WINTER

SUMMER SPRING AUTUMN WINTER

SUMMER SPRING AUTUMN WINTER

SUMMER SPRING AUTUMN WINTER

SUMMER ISLAND

SPRING ISLAND

AUTUMN ISLAND

WINTER ISLAND

...YOU WILL HAVE TO ENDURE 16 SEASONS ...

...BEGINNING WITH SUMMER ON SUMMER ISLAND AND ENDING WITH WINTER ON WINTER ISLAND.

IN OTHER WORDS...

WHEN YOU SAIL THE GRAND LINE, AT THE VERY LEAST...

...IT'S NO WONDER THE SEAS BETWEEN THEM ARE SO TURBULENT.

I SEE. IF THERE ARE CLUSTERS OF ISLANDS LIKE THAT...

WHAK WHAK

QUACK QUACK

OF COURSE THERE ARE EXCEP-TIONS TO THIS, AS WELL AS UNKNOWN WEATHER PATTERNS.

YOU'RE RIGHT!

I SEE IT!!

THAT'S WHY STABLE WEATHER MEANS THERE'S AN ISLAND NEARBY!

EXACTLY.

TA-DAH!!

AN ISLAND !!!

AN ISLAND !!?

NAMI, ISN'T THIS GREAT!! AN ISLAND!! YOU'LL BE CURED SOON!!!

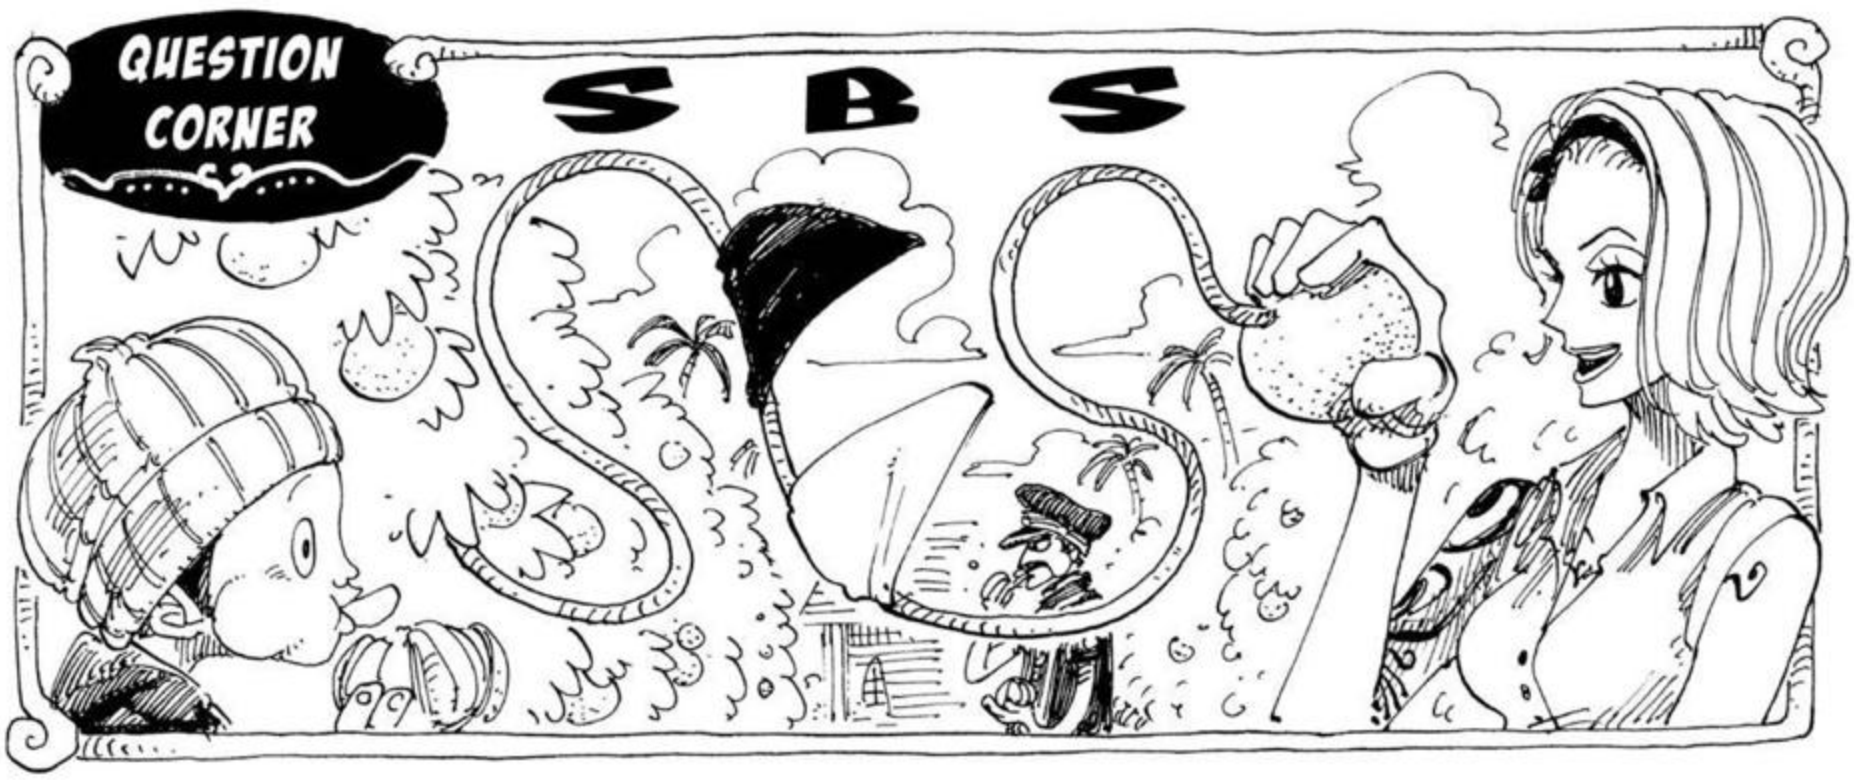
HE UNDER-STANDS US.

HUH?

THERE'S ONLY ONE DOCTOR IN THIS COUNTRY... AND SHE'S A WITCH.

BUT I SHOULD WARN YOU...



Q:When I saw the SBS in Volume 13, it was like lightning had struck me. That's because I'd always thought that SBS stood for *sugoi bakamitaina sekushon*, or "Terribly Stupid Section." And I told about five of my friends that it meant that. Now what am I supposed to do? Huh?

A: Well, actually, 90% of the questions we receive for the SBS are ~~stupid~~ ~~silly~~ gags. Not that I mind.

Q:I want to say one thing to Mr. 8!! You don't know anything about saxophones!! I mean, look at the way you hold your instrument!! And that embouchure!! At least use a strap!! Get it right!! Now go!! --Head of the Wind Instruments Department

A: Right, right! I know! He's way off, that guy! That em-embouchure thing too!! And the strip--I mean, strap--too. He looks down on the sax!! You tell him!! (upset) Please teach me, All-knowing Himeko.

Q:Oda Sensei, I really, really looooooooooooove you!! Pleeeeeeeeeeease marry me. If you won't, then will you answer my questions, pleeeeeeeease? Number 1, Gold Roger and "Red-Haired" Shanks look pretty tough, but what exactly are the bounties on their heads? And Question Number 2 is…will you pleeeeease marry me after all?

A: Oda Flying Cross Chop!!! Krash!!
This is the end of the Question Corner!!
We'll meet again in the next volume!! Hyah!!!
